

## **Volunteer Role Description**

### **Position - Community Sport Reporter (Volunteer)**

#### **Job Purpose**

We are seeking a number of talented people with a passion for the people and places of South Durham to report on local sporting activities and events.

#### **Activities**

Reporting to the Programme Director(s), and working with other volunteers you will:

1. Report from local sports events and share news stories with radio, website and social media audiences
2. Have a background / qualification / an interest in sport and or journalism, with a passion for sharing news stories with people in South Durham in an interesting and informative way
3. Have good interviewing skills and a friendly, confident approach
4. Be aware of and work within the terms of the station's music licences, our station Style & Presentation Guide and meeting the requirements of Ofcom's Broadcasting Code
5. Have basic IT skills and access to a smartphone, preferably with previous experience of working in a broadcasting environment

#### **Volunteer Commitment**

Our best estimate is that this role will require an average of 1-4 hours per week of volunteer time.

The times would be at your own availability, but are likely to involve evenings and weekends to coincide with sporting events and activities.

There are occasions where you will be expected to work alone.
